

Women's 5K Classic October 16, 2010

Proceeds to benefit the fight against Breast and other Female-Related Cancers

February 2010

Don't be left out!!

For the past 18 years, the Women's 5K Classic celebrated women's fitness, as well as, promoted awareness and raised money for education, research and support of breast and other female-related cancers.

Whether a stroll in the park, a brisk walk, or a competition to be the fastest runner, the run/walk event received over 5,566 registrants – marking another record-breaking year! As a result of business sponsorship and program supporters, this all volunteer 2009 event has NETTED almost \$200,000. We are in the process of distributing these funds to non-profit organizations and programs in the Greater Lehigh Valley who support the Women's 5K Classic's mission. Since the inception of the Women's 5K Classic in 1993, we have proudly contributed over \$1,475,000 to these worthwhile causes.

You can be assured that your contribution will directly benefit programs and organization in our community and the lives of women who live in the Greater Lehigh Valley. Organizations receiving funds from the Women's 5K Classic agree to promote women's fitness; provide education and awareness of female-related cancers; and make available support for survivors. For complete details about our recipients, please check our website at www.womens5kclassic.org

Here are some dates to remember...

August 1st- Deadline for t-shirt if sponsorship level is **\$2,000** or more

September 1st- Deadline for all other sponsorship listings

October 15th– Josh Early W5K Health Expo held at Cedar Crest College

October 16th– Women's 5K Classic Event held at the Little Lehigh Parkway

We hope you will consider supporting the Women's 5K Classic by becoming part of our community presence. Your contribution may help support someone you know and love.
